PROGRAM

Today's program title was.... H1N1, "It's Flu, but".....

Corrie Hamilton introduced today's speaker, Bob Brems, from the Health Dept.

Presented on the H1N1 and its symptoms, and its history.

Affecting younger population more.

Declared a Pandemic on 6/11/09.

It is declared a Pandemic by how fast it travels and is spreading.

Shared maps as to where the H1N1 is.

Goal is to minimize spread until vaccine is available.

There is not a shortage of vaccine, simply prioritizing who gets shots first.

Recommends everyone getting the H1N1 shot as the flu shot will not prevent it.

Very informative and great questions!

BOB BREMS - MUSKINGUM CO. HEALTH DEPT.
