GUEST SPEAKER:

Rusty Montgomery (one of the area's past greatest athletes).

Rusty shared information about his local sports talk show on WYBZ on Wednesday nights from 8p.m. till 9p.m. during football season. He provides information concerning football teams from across the nation, including division 1 teams and smaller teams. He also covers local teams including Muskingum College.

Rusty mentioned that Ohio State did not have one of their better recruiting years. Texas and Florida seemed to fare better, but personally I wouldn't cheer for them any more than I would for Michigan!!

California, Texas, Georgia, and Ohio seem to turn out very talented high school football players every year. Rusty attributes this to strong traditions, strong coaching, and talented athletes. He mentioned Buster Howe from Z.H.S as one of the best players he ever saw on the football field. Chuck Bryant was also mentioned. He also spoke of his admiration of student/athletes for how hard they must work to earn their scholarships and be successful in college.

Thank you Rusty for an informative program!

50/50

Past President John Pattison picked the winning 50/50 ticket, and is now a penny richer! The jackpot is over \$1,000.
