CALL TO ORDER:

President, Gary Moll called the meeting to order at 7:25 A.M. followed by the Pledge of Allegiance and the invocation by Dave Wilson.

President-Elect, Ruthie Ware introduced visiting Rotarian Daniel Kebede.

ANNOUNCEMENTS:

Ruthie Ware wanted everyone to know that Daybreak Rotary would be sponsoring a team for the "Light the Night Walk" being held at Ohio University and Zane State College Campus on the 23rd of September at 5:30 P.M. The one mile walk is a fund raiser for blood cancers such as, Leukemia and Lymphoma. It is also to honor the survivors of this disease and to remember those taken by this disease.

Sandy Grizzard helped the August birthdays celebrate. The attendance of the August birthdays was not near as good as the July attendance for birthdays.

The Westerville Rotary Club was in Zanesville to gather information regarding the Miracle League Field. They are interested in building one of their own and were very impressed with the field in Zanesville.

Sarge Don Riley was forced to fine our very own president for derelict of duty. Dan McVey and his wife are "empty nesters" as they shipped their last child off to college. Sandy Grizzard was bestowed the honor of being a "great grandmother". Rusty Montgomery did not feel quite as privileged having four grandchildren (Young Grandchildren) at his home. Mary Swope invited everyone to visit the Starlight Café in downtown Zanesville.

PROGRAM:

The Muskingum County Business Incubator, MCBI, was very lucky to have fellow Rotarian, Kyle McPeck fill in for the missing Jessica Bridwell. The MCBI is designed to help new businesses get started. They will assist in developing a business plan, help in resolving business related problems, providing reasonably priced office space, and connecting you to the agencies or professionals to further promote your small business. MCBI also provides consultation with established businesses in our community to further promote

their development. They are funded by Muskingum County, but also file for additional funding through grants from the federal and state levels. They have applied for a \$300,000 grant in order to move the business to the old Maysville Junior High School from their current 5th Street location. They hope to provide kitchen facilities, office space, networking opportunities, and meeting rooms for local businesses. Carol Humphreys is the current executive director. They help entrepreneurs connect to the right people to market their products. Most recently they helped a businessman market his heat resistant softball and a businesswoman develops her wedding preparation software. MCBI

is always looking for startup businesses they can help develop into a profitable business in order to bring more revenue into the local community. MCBI does serve a seven county area.
